Testimonials

Who we are

ALPHA^CHAMP was launched in 2019 by successful entrepreneurs from various backgrounds in order to offer high-quality training devices- ideal for premium gyms, sports training facilities, physiotherapy and personal trainers helping athletes and fitness enthusiasts become faster, fitter and stronger.

Based in Vienna, San Diego and Vancouver, we are collaborating with renowned Sports Scientists, Olympic Training Centers, Gyms and Trainers worldwide. Through interdisciplinary development and knowledge transfer between high-performance sports, professional training and sport science, ALPHA^CHAMP was able to create a new training concept combining the benefits of trampoline training and lateral movements.

We support Gym Owners and Trainers by offering the latest tool in functional fitness as well as a comprehensive workout video library to enrich clients' training experience and results.
